FYI
with
THANKS FOR
all you do!

TO WHOM IT MAY CONCERN:

Josh has demonstrated his musical talents and abilities time and again through his enhancement of the worship services at Edenton Street. Josh has developed a strong working relationship by interacting with all ages of people from the cherub choir, youth choir, and adult choir along with all of the participants in the hand bell ensembles. By doing so, the services at Edenton Street United Methodist Church have been richly blessed by the selection of music and execution of these selections.

Josh deserves accolades for the success of the Ruth Sheets Red Rose Benefit. Josh was instrumental in developing the themes of the events for the past two years. The first year involved a play about memory. Josh incorporated appropriate musical pieces for individual solos as well as having pieces performed by the children's choir. The second year involved a talent show whereby Josh assimilated music to compliment the varied skits and performances. In both instances, Josh also wrote all of the script used throughout the course of the evening. The events were well received and well attended by the Edenton Street community which in turn significantly helped the Red Rose Benefit.

Furthermore, we have had the privilege of working and getting to know Josh on a personal level through the Ruth Sheets Red Rose Benefit. He is always pleasant, upbeat, witty, and professional. Josh has been an invaluable asset to Edenton Street United Methodist Church and will continue to represent the church admirably in the music arena as Director of Music.

Sincerely,

Pete and Lynne Cotter
