Josh, I was so pleased with your service playing yesterday morning. Nicholas, who is so dependable, told me that I'd like it and I did. I hear such horrible service playing so often when I visit other churches - and now including my own - that is is discouraging. The organ was beautifully used and your hymn tempos - I said all this yesterday! --  
thank you for hearing a fine organ beautifully and colorfully played.  
A pleasure to meet you and if ever you'd like to come for a visit I have guest quarters and would welcome you. Bobby
